WHAT IS EDCAMP?

EdCamp OKC is a *FREE* "unconference." Come enjoy a day of discussion and networking with educators from Oklahoma and neighboring states. Bring an idea for a session that you would like to lead or come with the anticipation of a full day of learning. A session might explore a technology tool, a discussion about best practices, or a collaborative presentation with multiple facilitators.

WHAT HAPPENS AT EDCAMP OKC?

During the first part of the day, you will mingle with other educators and settle in for the unconference. There will be an empty session board where you and other attendees can post session titles. Over the course of the day, you will have the opportunity to attend up to four sessions.

The rule of an unconference is to "vote with your feet." If a session doesn't meet your needs, simply get up and move to another room. You will learn something new, maybe make a new friend, and leave with new ideas and information to apply immediately in your classroom and professional life!
